

# CARE HOME FINDER SERVICE

## Weekly List of Known Vacancies

DATE: 30<sup>th</sup> July 2010

WEEKLY ISSUE No: 1082

The Care Home Finder Service provides accurate, up to date information, for people considering a move in to a Care Home either permanently, for respite care or day services.

Care Homes across Norfolk inform Age UK Norfolk of their vacant accommodation and this information is posted on our website [www.acnorfolk.org.uk](http://www.acnorfolk.org.uk) on a daily basis to ensure the most up to date details are available.

We also produce a weekly list, which is free of charge for those without internet access, which details these vacancies.

The known vacancies in care homes for older people are listed in alphabetical order according to the type of home and district in which they are located. To help individuals in locating the type of home they are seeking, categories of home are listed in the following order:

**Care Homes offering Personal Care / Care Homes offering Personal Care and Nursing / Care Homes offering Nursing.**

All homes are encouraged to inform us of their vacancies weekly. However, homes which are Members of the Care Home Finder Service and for which they pay a fee, have their listing presented in a different format and with a fuller description of their vacancies. A full list of homes which are Members of the Care Home Finder Service can be obtained from our County Office (the address of which is at the foot of this page). Care Homes also benefit from Age UK Norfolk's Care Home Advocacy Service. This service provides independent advocates to help older people living in a Care Home. It is a flexible service which meets the needs of residents in Care Homes in resolving issues of concern.

We have a large range of fact sheets, which provide information on all aspects of moving into care, covering topics such as: local authority charging procedures for Care Homes, treatment of the former home as capital for people in Care Homes and paying for care in a Care Home if you have a partner, to name but a few. If you would like to receive any of our fact sheets about looking and paying for care, or if you would like to discuss any related concerns, please contact Age UK Norfolk Information and Advice Service.

Please Note: Unless otherwise indicated, all vacancies appearing on this list are available to clients of Social Services and are suitable for both men and women. Prices quoted are per person per week.
